

Enhanced Catch-Up Contribution

If you'll be age 60, 61, 62, or 63 by the end of the year, you may qualify for a higher catch-up contribution—if your plan allows it.

Birth Year	2026 Contribution Limit	Catch-Up Contributions	Total Contribution
1977 or later	\$24,500	Not Eligible	\$24,500
1967 - 1976	\$24,500	\$8,000	\$32,500
1963 - 1966	\$24,500	\$11,250	\$35,750
1962 or earlier	\$24,500	\$8,000	\$32,500

Contribution Limits are subject to change each year — stay up-to-date and review annually.

How Do I Change My Contributions?

If your employer allows online changes, log in to your Participant Account and select "Change" under Contributions tab.

If your employer does not allow online changes, log into your Participant Account and print a "Contribution Rate Change" form from the "Library", and submit it to your Human Resources office.

Note: Adjustments may take one or two pay periods to be implemented.
